

# the BeachHouse®

Packed with Australian-first and world-class attractions!

Located on the foreshore at Glenelg, just 20 minutes from the city centre, we are the perfect destination for a day out, and we've got everything necessary to entertain the adults as well as the kids.

We do not charge an entry fee, as all our rides and games are accessed via our Fun Card system. The Fun Card is yours to keep. You purchase it for \$2 when you first visit The Beachouse. You then charge your card with the number of credits you desire, depending on the option you chose.

On every return visit, you can recharge your Fun Card by bringing it to the Fun Booth, cafe or the Fun Card ATMs, located on both levels of The Beachouse.

## WHAT'S HERE...

**MINI GOLF** 9.5 CREDITS

With its dramatic water shows, sound effects and the clickety-clack of trains whizzing past, this 18-hole golf course truly could pass for a movie set at Universal Studios.

**PLAY CASTLE** [for those under 1300mm tall] 9.5 CREDITS

It's a dizzying five stories high, complete with giant sea animals suspended from the roof. We even play with your kids to make sure they have a great time!

**BUMPER BOATS** [for those over 900mm tall] 6.5 CREDITS

Get wet on these blaster boats, each armed with its own water cannon.

**DODGEM CARS** [for those over 900mm tall] 6.5 CREDITS

We are one of only two countries in the world to have the Rolls-Royce of dodgem cars, the Soli Italian Formula 1, built in Bologna, Italy.

**FERRIS WHEEL** 6 CREDITS

The only single-armed Ferris Wheel in Australia, a truly remarkable design that affords you an almost palpable sensation of floating, as you sit in a gondola experiencing the world from a high!

**CAROUSEL** [those under 900mm must be accompanied by adult] 4.5 CREDITS

After two years in the restorer's tender hands, this 120 year old carousel, steeped in history, once again holds pride of place in Glenelg.

**TRAIN** [those under 900mm must be accompanied by adult] 4.5 CREDITS

This totally realistic, Italian built train circumnavigates our spectacular, old western-themed mini golf course.

**WATERSLIDES** [for those over 900mm tall] 3 CREDITS

Two body and one raft, fully enclosed and heated, up to 130 metres long, with a water surge of 90 litres per second to thrust you through the tunnel, we're talking woo-hoo!

**ARCADE GAMES** 1-4 CREDITS

Not limited just to the kids, our game-lovers' paradise is filled to capacity with the latest & greatest games from America, Japan & Italy.
